TERM 2 WEEK 5 2018

Moree Zone Cross Country

Well done to our competitors in today's Moree Zone Cross Country held at North Star Sporting Club. They have all been training hard, so hopefully their training paid off. Official results have yet to be provided, but as soon as they are, they will be shared on Facebook. I know a few have set themselves a target of making it to Coolah. It is wonderful to see how students beginning to set themselves goals as an ongoing part of how they approach their life at school.

School Visitors last week

Friday was a very busy day for visitors. In the morning we were visited by Gwen and Jack Cowell who visit each year for Sketch and Scripture. The children always thoroughly enjoy their visits, particularly Gwen's excellent sketches. In the afternoon we were visited by Emma from Cleanaway, who talked to the class about rubbish and recycling. This was a great opportunity to reinforce and build on the work we did in this area last year.
