TERM 2 WEEK 6 2018

Cross Country

Well done to our Cross Country runners who participated in the Moree Zone Cross Country at North Star on Monday. Shyan has been placed as second reserve for the 8/9 Girls age group for the Regional Cross Country in Coolah. Well done to everyone who competed on the day.

Upcoming events

We had an extremely busy week last week and were very fortunate to have such a range of activities to participate in. It was also wonderful to catch up with friends from Yetman, Pallamallawa, Tulloona and Bonshaw. We have some excellent activities coming up over the next few weeks, the highlights of which are STEAM Day next Tuesday and the Macintyre Athletics Carnival on Friday the 29th of June.

Circus in a Suitcase

Circus in a Suitcase was an excellent opportunity for our students to practice practical skills in PE in a fun and engaging way.

Skype with an Author

The Tristan Bancks Skype session was an informative and entertain presentation where our students had the chance to learn about writing from a real writer. We have been reading one of Tristan's book in class, from the Tom Weekly series. The students have all been enjoying the stories and it is testament to the book's quality that it can appeal to a wide range of ages. Thank you to the Macintyre Young Writers' Competition and McGregor Gourlay for their generous donation of Tristan Bancks' book to the school.

STEAM Day

A note is attached for next week's STEAM opportunity at Pallamallawa PS. This will be an amazing day, as anyone who went last year can attest, and an excellent opportunity for all our students to take part in a range of STEAM activities. The cost for the event covers recess and lunch on the day, the school will cover the cost of transportation to the event.

Macintyre Athletics Carnival

The Macintyre Athletics Carnival has been confirmed as Friday the 29th of June. We are looking to hold our joint carnival with Tulloona on the 22nd of June, also a Friday. Watch Facebook for confirmation this week.

Regards,
Michael Sky
Principal

CROPPA CREEK P.S. CALENDAR

(See the website for more details)

Wed 4 July – NAIDOC Day at Toomelah Public
Fri 6 July – Last day Term 2

Term 3, Week 1

Tues 24 July – Students return for Term 3

Brain Teaser

The answer to last week's brain teaser was:

A wallet or purse.

Students will write their answer with their name on a piece of paper, and the first correct answer pulled out of the hat will get the dojo point.

*This week's brain teaser:
I am made of water, but I'm not wet.
What am I?*

Super Spellers

This Week's Super Spellers

were Millie and Oliver.

*Most Improved was Katie!
Well Done!*

REMINDER

We currently have a number of unclaimed school jumpers in the classroom. If you think any belong to your children, please see the teaching staff.

We wish to remind our families to ensure their children's clothing is labelled so it can be returned to them.

Also, one of our students has had a v-neck polo size 14 jumper go missing as well. They were sure it was at school, so could you please have a look at home and return to the school if it is there.

Thank you everyone.

P & C News

Canteen

Toasted Sandwich \$3.00 each

- ham, cheese, tomato

- chicken, cheese, tomato

Popper \$1.00

Sound Waves

The phoneme for this week is:

Juggling

Slap Stick

Building a Human Pyramid

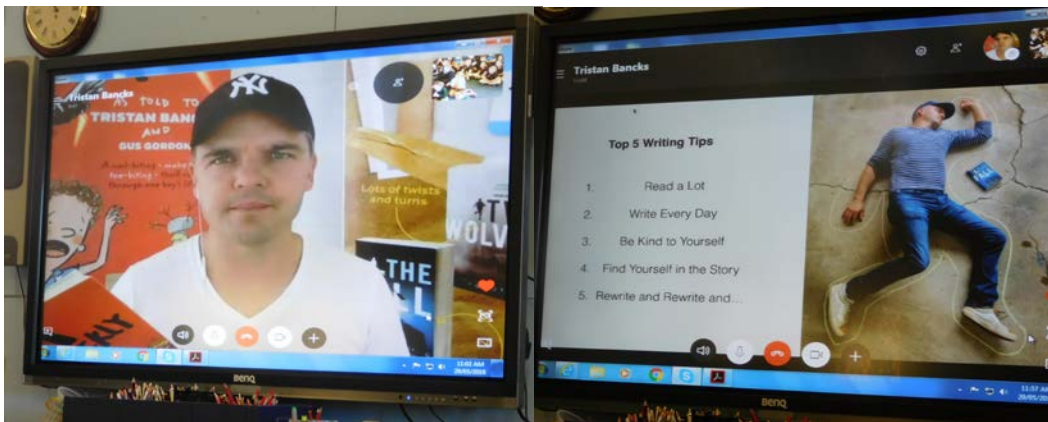

Putting it altogether to make a show

Fun Day with Yetman School

On Tuesday we spent the day at Yetman School along with Bonshaw and Tulloona. The K-2 had a wonderful time in the K-2 classroom. We read the book Hickory Dickory Dash, made mice and clocks. 3-5 had a very informative skype session with Tristan Bancks a children's author. It was a great way to catch up with friends and make new ones.

Zone Cross Country

Well Done!
everyone who took part in the cross country.

Moree NSW 2400

WHEN: Tuesday 12 June 2018

TIME: 9.00AM - 4.30PM

COST: This training is subsidised by the NSW Government. Eligibility rules apply. Talk to your local College Program Coordinator.

1 DAY WORKSHOP

12 JUNE MOREE

YOUR WORKSHOP FACILITATOR

Virginia Eddy has over 25 years' experience providing corporate advisory, consulting and mentoring services to micro small and medium sized businesses.

This is no run-of-the-mill business planning workshop. Join me on the **Big Day Out**, where I'll take you on a treasure hunt, helping you discover the hidden assets your business already owns. Sometimes, we just need another view to help us see the forest from the trees. Come along and gain new perspectives and insights that will help you look at your business and its people differently!

If you're a business owner, then **this workshop is for you.**

If your business has been operating for years, or even decades, and is bubbling along well enough to meet your wants and needs, **this workshop is still for you.** Don't think that just because you have a track record in business, you have no need to sit for a day pondering the value of innovation, creativity, efficiencies and adding value!

If you don't invest the time thinking about how to make your business even greater, **someone else will:** in the next town, street or building... and then your life's work will have less value, if any value, when it's time to retire.

Any business that is not evaluating and improving efficiencies, innovating, creating and value-adding as part of its daily business, is standing still. A business that stands still can quickly attract competition!

Call Moree Community College to book your seat.

Good for Kids good for life

WASTE-FREE LUNCHES

When packing your child's lunchbox it's important to think about nutrition, but we can also look after the environment too!

Waste-free means only packing items that can be recycled or composted. That means no plastic wrap, no foil, no zip lock bags and no packaged foods.

Here are some ideas for packing a waste-free lunch:

- Invest in some small containers or a lunchbox with a variety of compartments.
- Use paper bags as they can be recycled.
- Use a reusable bottle for water and milk.
- Buy in bulk and transfer into smaller reusable containers for food like yoghurt and rice crackers.
